98th ANNUAL REPORT and BALANCE SHEET

ROWING

Once again Gary Gullock carried the Club colours across the finish line many times to distinguish himself and the Club at many Regatta. Gary's success included a win in open company at the Colt's Regatta at Penrith early in the season and a resounding win against the Victorian Sculler at the Victorian Country Championships.

Jim Burzacott also represented the Club in maiden lightweight and junior sculling races and although a relative novice he won the South Australian Junior Sculling title.

The Club was also represented by senior pairs, maiden fours and pairs and novice crews who achieved limited success but failed to settle down and did not progress as expected.

The rowing activities suffered from the problem of too few trying to do too much and to make progress the Club must now focus all its attention upon the rowing activities.

The Committee once again under the guidance of Doug Barnett provided the members with many opportunities to engage in light entertainment and enjoyable functions. Many B.B.Q.'s together with a White Elephant Sale helped the Club with its finances.

The Reunion Dinner at Tawana Reception Rooms and the Dinner Dance at the Yacht Club were the highlights of the Club's social calendar with many old and new members and guests enjoying themselves.

The Annual Dinner once again changed venues and was held at the Mid-City Motel Dining Room. Guest Speaker, Jim Keogh enlightened members and guests with both the financial and behind the scenes aspects of motor racing.

BUILDING COMMITTEE

The Building Committee completed the finishing touches to the King's Room by installing a grill and new gas heater.

The jetty was repaired and the roof over the King's Room was replaced by many willing helpers.

The next major works to be carried out by the Building Committee is the replacment of the flooring in the boat storage area which will be a major expense and renewing toilet area. Congratulations to Vic Gingell for a job well done.
